## Studying Drama at NVHS...

Promotes emotional maturity, and gives students a deep understanding of themselves.

Because it involves using not only their voices and bodies, but also emotions and creativity, it is able to engender a deep sense of self-esteem.

It is also a subject that requires a great deal of peer trust, and so it plays an important role in teaching communication, listening and empathy skills.

Studying drama is demanding, and teaches pupils that success only comes from hard work.

"It was pretty alright"  
- Keegan, Year 12, 2020
