## Student Targeted Enrichment Program (STEP) Year 7 2020

Narara Valley High School will be offering a Student Targeted Enrichment Program (STEP) for Year 7, 2020 students as part of its commitment to the education of its Gifted and Talented students. STEP is taught as an enriched learning class over four years, Year 7 to 10, with the option of accelerated learning in Year 9 and Year 10.

This program is designed for identified students who desire the challenge of working consistently at an advanced level within the framework of a comprehensive high school. The class will be taught by specialist staff, and students are presented with opportunities to complete their secondary education in a unique and individualised way according to their strengths and abilities.

We will hold a selection test at Narara Valley High School on Wednesday 27<sup>th</sup> March between 9:00am and 12:00pm, and follow up interviews as part of the selection process. This is subject to the DoE and school enrolment policy. Our overall aim is to provide a secure, peer-supported environment with specialised teaching, programming and curriculum that will allow all selected students to excel academically.

As part of our commitment to our community, we will continue to absorb the bulk of the cost for the testing. In 2019, the cost of administering the tests is \$61.00 per student, and we are requesting a \$10.00 administration cost to help us maintain the quality of the testing. You will be provided with a result sheet at the end of the testing. Could you please return an application form and payment to Narara Valley High School by Tuesday, 19<sup>th</sup> March, to ensure that there are sufficient tests on the day?

Further information can be obtained from the school, and at the 2019, Year 7 Parent Information Evening to be held on 6<sup>th</sup> March at Narara Valley High School from 6:00pm to 8:00pm for all prospective students, including specific STEP, TSP and CAPA classes. There will also be information nights held at Wyoming Public School on Monday, 25<sup>th</sup> February, Niagara Park Public School on Tuesday, 26<sup>th</sup> February and at Valley View Public School on Wednesday, 27<sup>th</sup> February.

An application form is attached for your convenience.
