Targeted Sports Program (TSP) Year 7 2020

Thank you for your interest in the Targeted Sports Program at our school. Students participating in the Targeted Sports Program undertake specialised development programs in their chosen sport during school time as a reportable school subject. This is integrated with a full academic curriculum, which caters for the special needs of the talented sports students.

- Throughout the fortnightly cycle, students will receive a 2-hour session with their external coach focusing on skills, drills and game play.
- Nutrition/motivational talks.
- 2-hour session of sports specific fitness training (external).
- External excursions.
- Organised games against other schools.

The abovementioned does not affect any other curriculum; classes are taken from PE lessons.

Placement in the program is dependent on:

- An ability, interest and potential in the nominated sport.
- A recognisable commitment to school studies and academic performance.
- An excellent record of school conduct and attendance.
- Compliance with DoE and school enrolment policy.
